

## **Presubmission checklist**

### **Cover letter**

The cover letter must attest that the paper is original and has not been published or submitted for publication elsewhere. It must be signed by all authors; fax copies of signatures are acceptable. Potential conflicts of interest must be disclosed. If the manuscript does not fit readily into one of the categories described in *Writing for CMAJ*, you should explain in your cover letter why you feel it is suited for publication in *CMAJ*.

### **Contributor information**

On a separate sheet of paper, state the specific contributions of each author to the preparation of this article. Each author must meet the 3 authorship criteria of the International Committee of Medical Journal Editors:

“An author is someone who contributed substantially to conception and design, or acquisition of data, or analysis and interpretation of data AND drafted the article or revised it critically for important intellectual content AND gave final approval of the version to be published.”

### **Acknowledgement form(s) (if applicable)**

If in your manuscript you [acknowledge](#) anyone for a contribution that goes beyond administrative assistance, you must obtain written permission to publish his or her name.

### **Personal communication form(s) (if applicable)**

If you wish to cite a [personal communication](#) in your article, you must obtain written permission from the person in question to publish his or her name. Please include the person’s affiliation and the year in which the information was communicated.

### **Permission to reproduce material from other sources (if applicable)**

If your article contains [previously published tables or figures](#) (even if they are your own work), you must obtain written permission from the copyright holder (usually the publisher) to reproduce the material in the print and online editions of *CMAJ* and in its licensed versions (print and online).

### **Patient consent (if applicable)**

If your article contains any information concerning individual cases, you must obtain written consent from the patient(s) to publish this information in *CMAJ*. A copy of the patient’s consent must be submitted with the manuscript.

Number the pages.

On the title page, indicate the word count for the text only, exclusive of the abstract, references, tables and figure captions.

Make sure each reference is cited in the text. Put references in numerical order in the reference list and format them according to the [Uniform Requirements](#).

Submit 3 copies of the manuscript to the Editor, *CMAJ*, 1867 Alta Vista Drive, Ottawa, ON K1G 3Y6.
