

DEFECT REPORT

- 1. Report Number:** 02
- 2. Source of report:** Mark Wilson, The Library Corporation
- 3. Report Submitted to:** Interlibrary Loan Application Standards Maintenance Agency: November 1997
- 4. Report Concerning:** ISO 10161-1:1997(E)
- 5. Type of Defect:** Clerical
- 6. References in Document:** Table A.5a
- 7. Nature of Defect:** In Table A-5a, in the cell formed by the intersection of Incoming event: REA+ and State: RECEIVED, the plus sign (+) is misplaced at the end of the action list, following the resultant state RECEIVED rather than with the outgoing event REAind to which it applies.
- 8. Solution Proposed by the Source:** Remove the plus sign from the third line, after the resultant state and add it to the out-going event, i.e., REAind+
- 9. Secretariat's Response:** Not required
