

DEFECT REPORT

- 1. Report Number:** 03
- 2. Source of report:** Mark Wilson, The Library Corporation
- 3. Report Submitted to:** Interlibrary Loan Application Standards Maintenance Agency: November 1997
- 4. Report Concerning:** ISO 10161-1:1997(E)
- 5. Type of Defect:** Clerical
- 6. References in Document:** Table A.5b
- 7. Nature of Defect:** In Table A-5b, the typography makes it unclear that the term "var" applies to the instruction on the previous line "set RETURN var" in the action list in the cell formed by the intersection of Incoming event: RCV and State: NOT-RECEIVED/OVERDUE:
RCV (opt)
set RETURN
var OVERDUE
- 8. Solution Proposed by the Source:** Add a line break after "var" so that it is clear that it applies to the phrase "set RETURN var", i.e.,
RCV (opt)
set RETURN var
OVERDUE
- 9. Secretariat's Response:** Not required
