

Interlibrary Loan Protocol Implementors Group (IPIG)

Statement of Interoperability for [Product A] and [Product B]

Barbara Shuh, Library Network Specialist, National Library of Canada and Johann C. Zeeman, Director, Columba Global Systems Limited on October 11, 2000 assert that the National Library of Canada's NAVIS system (version 1.8) and Columba Global Systems Ltd.'s ColumBILL system (version 1.0) have demonstrated interoperability as required to conform to the IPIG Profile version 1.0 to the mutual satisfaction of the parties named herein.
