If You're Funny and You Know It

(To the tune of *If You're Happy and You Know It*)

*Act out this song as you sing it and why not make up more verses of your own.

If you're funny and you know it, make a face.
If you're funny and you know it, make a face.
If you're funny and you know it and you really want to show it.
If you're funny and you know it, make a face.

If you're funny and you know it, dance all silly.

If you're funny and you know it, laugh out loud.

If you're funny and you know it, do all three.

The Hat on the Clown

(To the tune of *The Wheels on the Bus*)

*Act out this song as you sing it.

The hat on the clown goes up and down.
Up and down.
Up and down.
The hat on the clown goes up and down.
Just to make us smile.

The nose on the clown goes honk honk honk.

The tie on the clown goes round and round.

The shoes on the clown go tappa-tappa-tap.

The bum on the clown goes wiggle wiggle wiggle.

Funny Clown, Funny Clown

(To the tune of *Teddy Bear, Teddy Bear*)

*Say the words and do the actions.

Funny clown, funny clown, turn around.
Funny clown, funny clown, jump up and down.
Funny clown, funny clown, show your shoe.
Funny clown, funny clown, the other one too.
Funny clown, funny clown, beep your nose.
Funny clown, funny clown, touch your toes.

Funny clown, funny clown, do a little giggle.
Funny clown, funny clown, wiggle, wiggle, wiggle.
Funny clown, funny clown, wink your eye.
Funny clown, funny clown, say "Good Bye!"

Clowny Pokey

(To the tune of *The Hokey Pokey*)

*Do the actions for this song as you sing it.

You put your big shoes in. *(one foot at a time!)*
You take your big shoes out.
You put your big shoes in
And you shake it all about.
You do the clowny-pokey and you turn yourself around.
And that's what it's all about.

You put your jazz hands in. *(shake your hands back and forth!)*

Etc.

You put your red nose in. *("achoo!")*

Etc.

You put your frizzy hair in. *(it's on top of your head!)*

etc

You put your bum-bum in. *(turn around and move your bottom!)*

You put your silly self in. *(that's your whole clown body!)*

Five Silly Clowns

(To the tune of *Five Little Monkeys Jumping on the Bed*)

*This song would make a great felt board or you could wear a chef's hat to be the baker yourself and have the five little clowns attached to a glove with Velcro.

Five silly clowns throwing custard pie,
One hit the tall one right in the eye.
The baker laughed, then (s)he started to cry.
(S)he said,
"No more silly clowns throwing custard pie!"

Four silly clowns throwing custard pie,
One hit the tiny one right in the eye.
The baker laughed, then (s)he started to cry.
(S)he said,
"No more silly clowns throwing custard pie!"

Three silly clowns throwing custard pie,
One hit the thin one right in the eye.
The baker laughed, then (s)he started to cry.
(S)he said,
"No more silly clowns throwing custard pie!"

Two silly clowns throwing custard pie,
One hit the plump one right in the eye.
The baker laughed, then (s)he started to cry.
(S)he said,
“No more silly clowns throwing custard pie!”

One silly clown throwing custard pie,
Then she hit herself right in the eye.
The baker laughed, then (s)he started to cry.
(S)he said:
“No more silly clowns throwing custard pie!”

No silly clowns throwing custard pie,
But there’s one pie left that the baker did spy.
So the baker laughed, then (s)he opened wide.
And said,
“Now I can eat this yummy custard pie!”

(**If you want, at the end of the song you could “throw” a felt pie in your felt board baker’s face or, if you are the baker, you could hit yourself in the face with a pretend “custard” pie or a pie pan full of whipping cream!!)

Funky Monkey Dance

(To the tune of *She’ll be Coming Round the Mountain*)

*Do the actions for this song as you sing it.

You’ll be doin’ the “funky monkey” before we’re done.
You’ll be doin’ the “funky monkey” before we’re done.
You’ll be doin’ the “funky monkey”;
You’ll be doin’ the “funky monkey”;
You’ll be doin’ the “funky monkey” before we’re done.

You’ll be eatin’ ripe bananas before we’re done.
(*Pretend to eat a banana*)

You’ll be hangin’ by your tail before we’re done.
(*Use your arm as a “tail” by curling it & putting it behind your back. Swing it back & forth*)

You’ll be singin’ “eee-ooo-eee-ah” before we’re done.
(*Make monkey sounds*)

You’ll be eatin’ bugs right off your neighbour before we’re done.
(*Pick off & eat “bugs” from your neighbour*)

You’ll be swingin’ through the jungle before we’re done.
(*“Swing” around the room*)

Now you're doin' the "funky monkey" and we're done.
(Do your favourite actions!)
Yes you're doin' the "funky monkey" and we're done.
Oh you're doin' the "funky monkey";
Hey you're doin' the "funky monkey";
Yep you look like a funky monkey and we're done!!

Dance Like a Duck

(To the tune of *Skip to my Lou*)

*Do the actions for this song as you sing it.

Dance like a duck now, quack quack quack
Dance like a duck now, quack quack quack
Dance like a duck now, quack quack quack
Dance like a duck my fowl friend.

Flap your wings now, quack quack quack

Shake your tail now, quack quack quack

Fly to your partner, quack quack quack

**Why not make up your own animal dance by using this same pattern?

How about...

"Dance like a cow now, moo moo moo"

"Dance like a bunny, hop hop hop"

"Dance like a fish now, swim swim swim"

"Dance like a seal now, slip and slide"

Just describe the animal by thinking of the type of actions they might do if they were dancing. Or try singing one verse (each) about many different animals and dance in the jungle, on the farm or in the zoo!

GROSS SONG/Poems

Great big gobs
of greasy grimy gopher guts
mutilated monkey meat
little birdies french-fried feet
Great big gobs
of greasy grimy gopher guts
and me without a spoon

(There are other versions)

Birdy birdy in the sky
dropped a turdy in my eye
I'm a big girl I won't cry
I'm sure glad that cows don't fly

Listen, my children and you shall hear
of the midnight attack of diarrhea
A fifty-yard dash to the bathroom door,
First on the bed and then on the floor.

Hasten Jason bring the basin--Urp, slop--get the mop!!

Who knows what I had for supper
Who knows what I had for tea?
Who knows what I had for dinner?
Just look out the window and see.

The night was dark and stormy,
the bathroom light was dim.
I heard a crash, I heard a splash!
Oh Gosh - he's fallen in!

Everybody's doing it, doing it, doing it.
Picking their nose and chewing it, chewing it, chewing it.
Thinking it's candy, but really it's not.
It's a hot snot sundae with a booger on top.

Your nose is feelin' runny
And it's gooey just like honey
And you think it's kinda funny
Well it's not, 'cause it's snot.
