

## **In Quarantine: *Life and Death on Grosse Île, 1832-1937***

### ***Educational Resources***

## **Activity 3**

### **Culminating Activity**

Students will select from a variety of culminating tasks. By combining their research, analyses, interpretations and conclusions, students will demonstrate what they have learned about Grosse Île.

### **Learning Outcomes**

Note: Teachers may use outcomes below as criteria for an assessment tool or rubric.

In this activity, students will demonstrate:

- organization and time management;
- evidence of incorporating research;
- proper citations and bibliography;
- the ability to make decisions and draw conclusions about their topic.

### **Instructions**

1. Students will select their culminating activity from Handout 3.1.
2. In groups or individually, students will complete Handout 3.2 to organize their final product.
3. Students will arrange a meeting with the teacher at least once to document their progress (Handout 3.3).
4. Students will use notes from previous activities and the links from the Activity Resources section.
