Imperial Dial-a-Stitch Fully Automatic Zig-Zag with Twin Needles

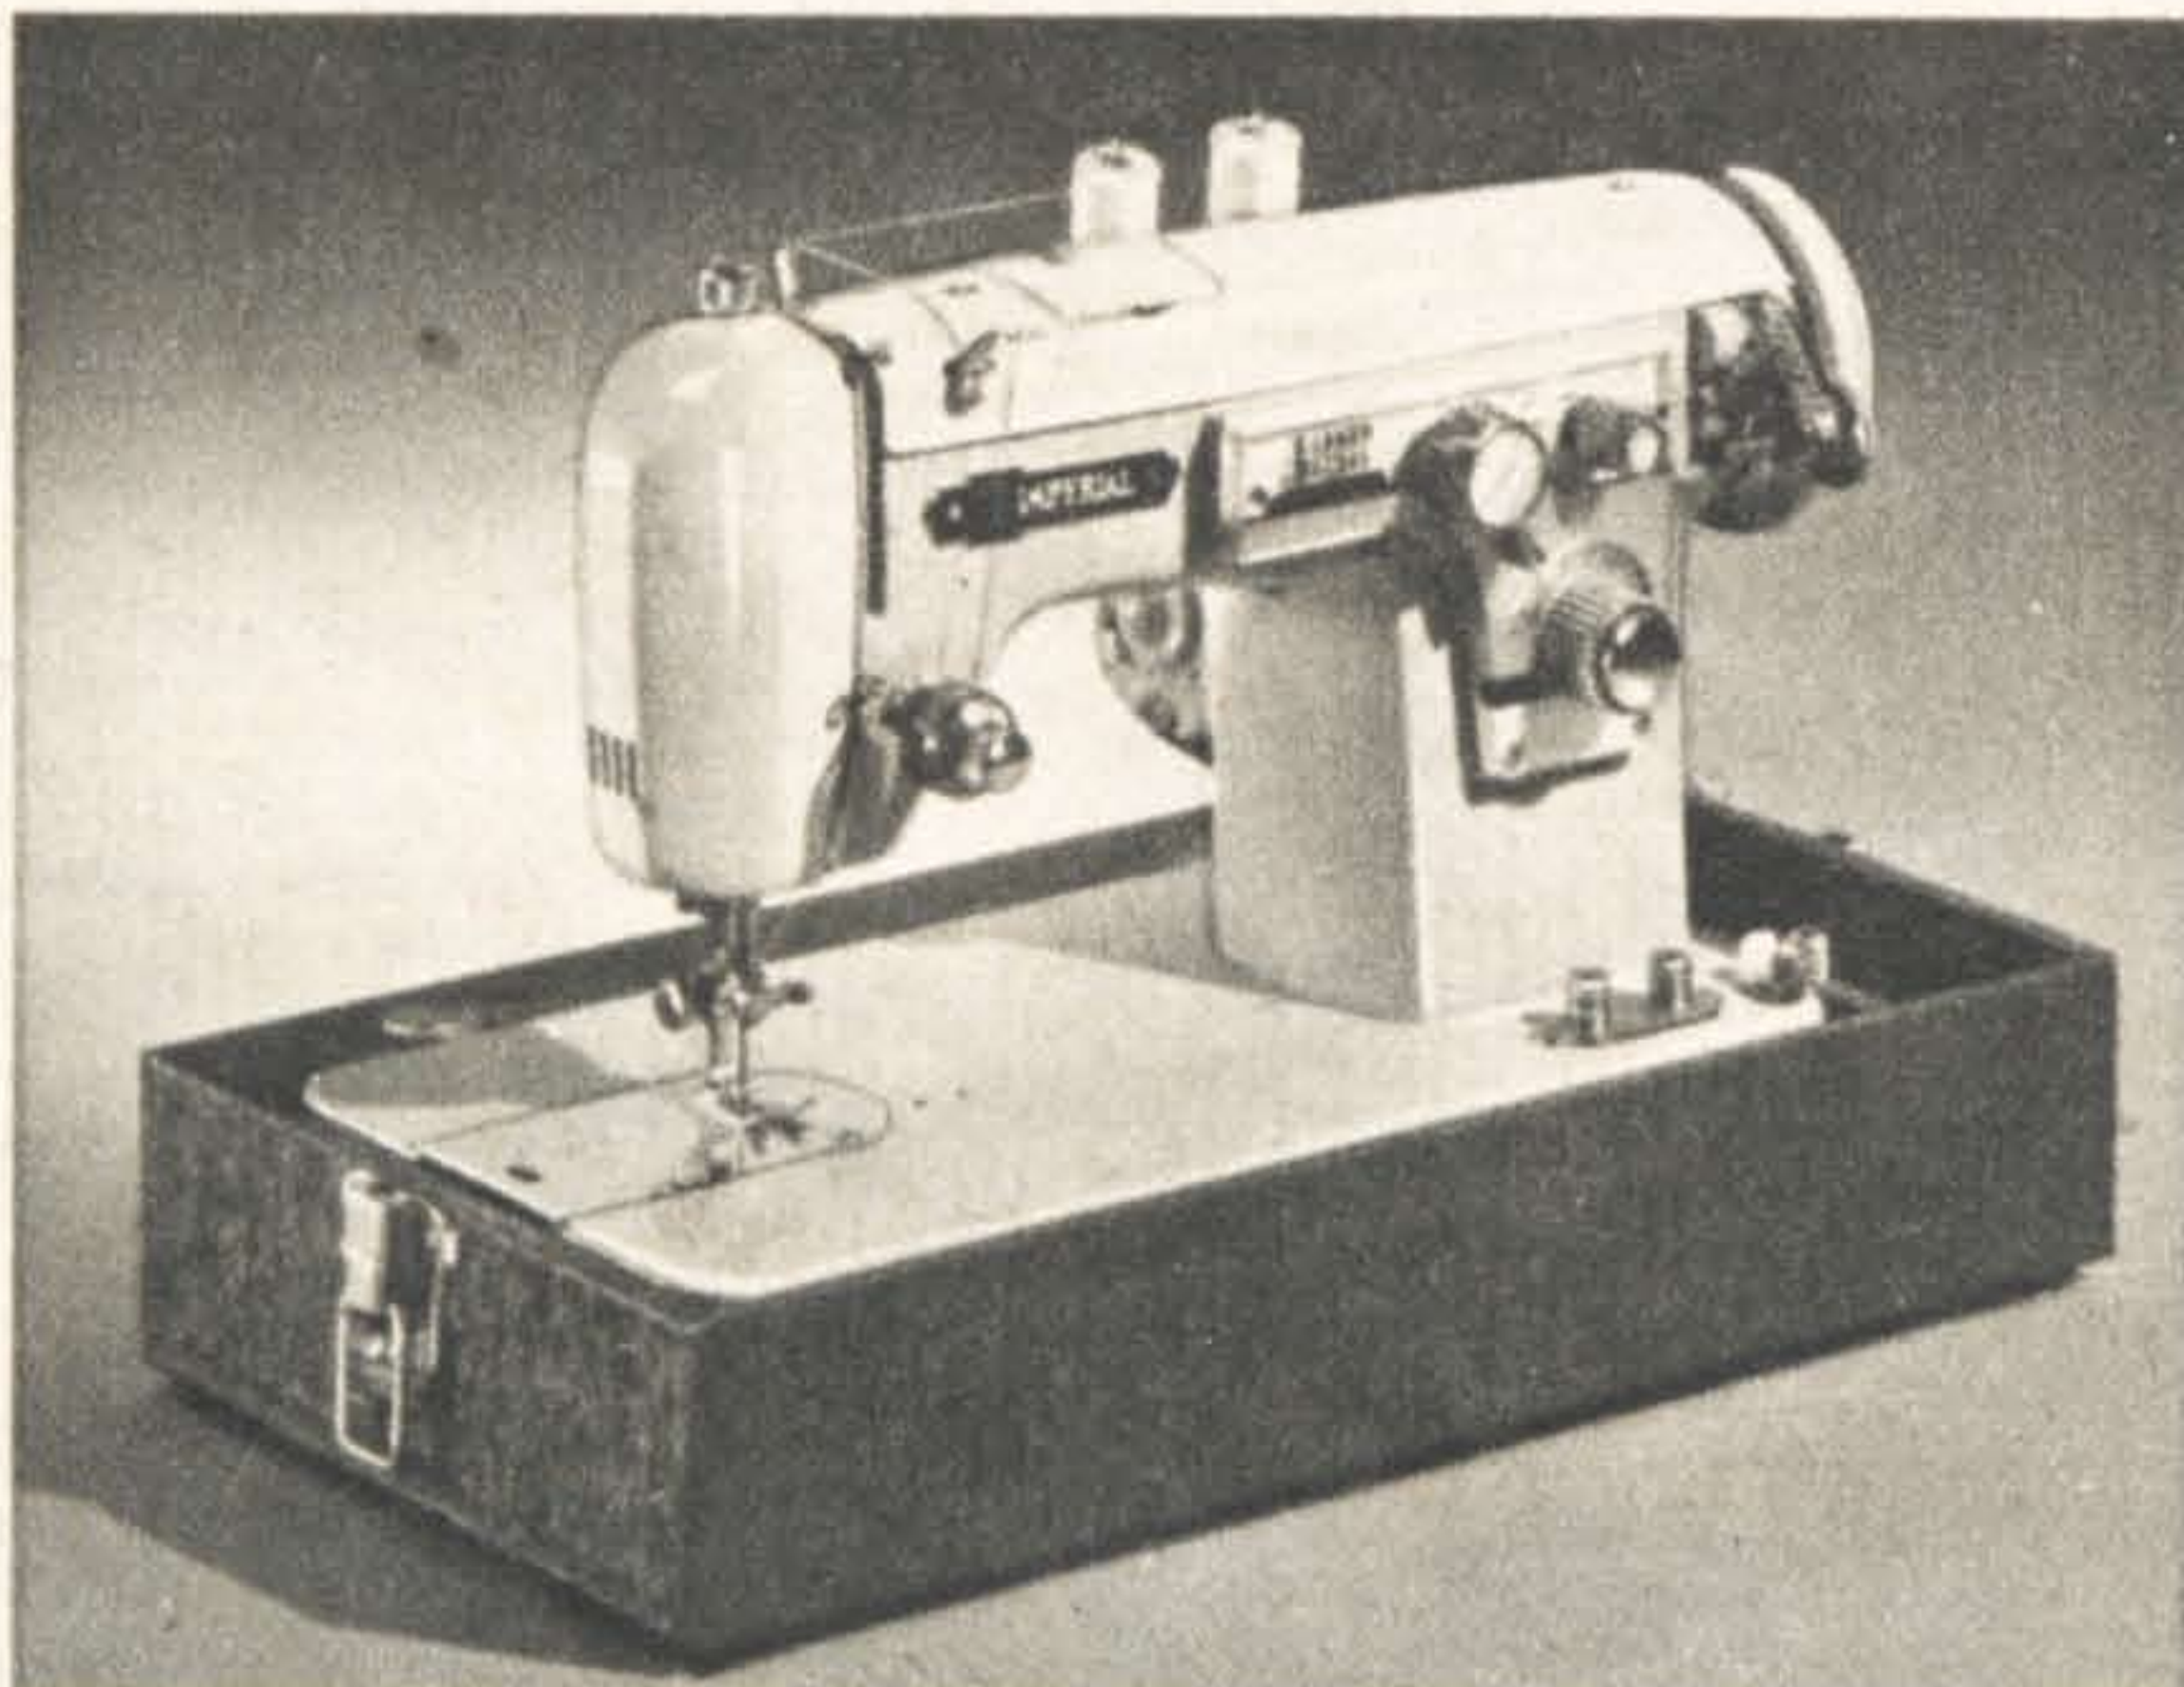

179⁹⁵ Cash
or 11.00 Monthly*

What a machine! Imagine the things you could do with this IMPERIAL beauty in your home. No disks to change; you simply dial the stitch you need. There are 28 basic patterns to begin with and a flick of the three-position needle control multiplies this number to 84 (plus countless others by a simple manipulation of the versatile zig-zag control). Twin needle sewing lets you add a pleasing two-colour "hand-finished" effect to your work. Button-holes? They're the easiest ever! They're made automatically, and you don't even have to turn the material! Sews on buttons as well. Blind hems are produced automatically and the drop feed control makes appliqué and embroidery work and darning a breeze! Straight sewing is so easy, too! Other features: automatic bobbin winder; push-button reverse; built-in light; accessories; instructions. All this in one of the most streamlined units we've ever seen. Model 575.
