Niagara Falls, Canada,

Is the recognized trading place of many of Welland’s and Lincoln’s prosperous farmers.

Those who wish to buy for cash, and at the very best prices can command, are daily proving that Hewson & Co. have taken the right way to build up a permanent and prosperous business in this coming border city of Canada. The large market and splendid prices realized here for produce places the farmers and fruit growers of this neighborhood in a position to buy for cash; and the rapid strides made by Hewson & Co.’s sales are making in an upward direction proves the wisdom of this store’s planting.

The policy of the store is,—

Not to be Undersold by any Competitor,

And although this entails a positive loss to the store in a few lines of American goods—notably Lees’s and Prints—it is carried out to the letter, and such goods are now handled here at the same prices as in Buffalo and Rochester; while customers from every state in the union have stated, “All the imported Duro Goods, and Ready-Made Clothing for men and boys are far below the same goods at their own homes.”

When in Niagara Falls for the day do not fail to visit this store, it will leave a pleasant place in your memory.
