Lesson 2
The Story Quilt

In this lesson, each student will re-write a segment of a selected story. As a group they will practice and perform their story. Each student will also create an illustration depicting their segment of the story. These illustrations will be assembled to create a story quilt that tells their group’s story. As a further extension, the class may wish to create a video incorporating narration along with their illustrations.

Learning Outcomes

By the end of this lesson, students will be able to:

- provide sufficient detail to support a main point and organize ideas;
- create a visual response to a specific story;
- discuss the elements of the particular story;
- share information on a topic using print, audio-visual, or dramatic forms.

Activity 2.1
Live Storytelling
Students will select a story and perform it in groups, or as a class.

Activity 2.2
Illustrating the Story Quilt
Students will create different illustrations for their section of the story. These illustrations will become quilt squares for a story quilt.

Activity 2.3
Recording the Story Quilt Video
Students will record their final product on video.
