

Yukon Territory name change to Yukon

The name of the *Yukon Territory* was officially changed to *Yukon* on April 1, 2003. Library and Archives Canada bibliographic records will reflect this change as follows:

For subject cataloguing:

Yukon will be used as a subject heading and as a geographic subdivision.

For descriptive cataloguing:

The change from *Yukon Territory* to *Yukon* will be treated as a name change and either name will be used as appropriate.

For bibliographic records in French, *Yukon* will continue to be used.
